

MARCH 20 2014

**VANCOUVER COAL GROUP
NETWORKING EVENING**

Guest Speaker: Rodrigo Araya

Fine Coal Cleaning by Froth Flotation

Rodrigo graduated from the Universidad Católica del Norte, Antofagasta, Chile with a diploma in chemical engineering. He completed his university education in Canada, graduating from McGill University with a MEng. Following graduation he worked for the Mineral Processing group at McGill as a researcher studying hydrodynamic properties of flotation machines. In 2011 Rodrigo worked at Gibraltar Mines as a plant metallurgist. He is currently working at XT Canada as process engineer focused on the Jameson Cell flotation technology.
