Show Your Support for Canada's Coal Industry Technical Community

The Western Canadian Coal Society aims to facilitate the sharing of technical, scientific and operational knowledge in the coal industry. The WCCS also promotes networking and fellowship among participants in the industry.

The WCCS is hosting its annual 1-day Coal Forum on February 8, 2024 in Vancouver BC, at the Vancouver Convention Centre West.

Technical Papers

Invited speakers who are experts and leaders in their respective fields will present five or six technical presentations covering various topics will be presented throughout the day.

Tradeshow/Poster Session

The tradeshow will consist of companies or individuals who wish to showcase their projects, research, products and/or services. There is limited space so be sure to book your spot early.
